Women's Spring Retreat 'The Spirit Led Woman'

Romans 8:5

Apr 29 - May 1, 2016

**Michindoh
Conference Center
Hillsdale MI**

Retreat Theme & Overview:

Our theme this year, 'The Spirit Led Woman', is based on Romans 8:5 'For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit set their minds on the things of the Spirit'.

Our focus will be on getting our hearts and minds in tune with the Holy Spirit so that every step we take in our daily walk with Jesus will be Spirit led, keeping us in the will of our Father God.

We'll explore this topic with our Main Speaker, Anne Thornton, and in workshops. We'll also be blessed by inspirational God Stories, Dramas, presentations from our International Workers, and Spirit filled Worship.

Other activities include an ice cream social Friday evening, and free time on Saturday to enjoy scenic walking trails, Canoeing, Archery (\$3 charge), Games, or relaxing on a bench in a serene setting.

Is this retreat for me?

We plan our retreat to appeal to women of all ages and encourage teens 9th grade and up to join us as well. They'll have their own workshop and activities. Ladies do not have to attend an Alliance Church to come to Retreat. Michindoh is handicap accessible.

About our Speaker...

Anne Thornton is happily married to Justin, pastor of Jericho Road Church, a Christian and Missionary Alliance Church in Muskegon, Michigan. The couple moved from New Jersey to Michigan in 2009. Since then, they have been blessed with a beautiful daughter, Anabelle Grace and handsome son, James Dado (JD). Inspired by the joy she has found in her walk with Jesus, she is excited to see other women come to understand who Jesus is, the depth of His love for them, and the redemption, healing, hope, and power found in Him alone. She is the Author of a women's devotional book, 'Seasons of Overcoming'. Anne is also a registered nurse who is passionate about using her job to empower women and children by pointing them to the Great Physician.
