Great Lakes District
Great Commission Women
Spring Retreat

April 28 - April 30, 2017
Michindoh Conference Center
Hillsdale MI

Retreat Theme & Overview:

Our theme this year is 'The Coming King' based on Mark 13: 26 "At that time men will see the Son of Man coming in clouds with great power and glory".

We'll be focusing on preparing for Christ's return in two areas: first, living lives that are steadfast, prayerful, and holy; and second, finishing the task He has given us...preaching the gospel.

We'll explore what this looks like with our Main Speaker Natasha Tompkins and through workshops created by Merilyn Lauffer from our National GCW Team. We'll also be blessed by inspirational God Stories, Dramas, Presentations from our International Workers, and Spirit filled Worship.

Other activities include an ice cream social Friday evening, free time on Saturday to enjoy scenic walking trails, canoeing, and games. Other optional activities include Bible journaling (\$5) or soap making (\$15) which is due with registration. You cannot do both due to scheduling.

Is this retreat for me?

Do you have a desire to draw closer to God? No matter what season of life you're in, this retreat is for you. You'll laugh, you'll cry, but most of all, you'll spend time in the presence of the Savior.

Michindoh is handicap accessible.

About our Speaker...

Natasha has a great passion and a gift for taking the amazing truths of the Bible and showing how they can change the way we live our lives and love our neighbors. She's a bit of a nomad and when asked where she is from, Natasha responds "the Great Lakes, both sides". As a Nurse Practitioner, she has worked in inner cities and rural communities around the United States. Natasha and her husband Jason have four boys (three biological and one adopted) and they just returned from Asia where they served for seven years at a government hospital. Everywhere God places her, Natasha seeks to carry out the Great Commission by making disciples of Jesus. She comes highly recommended by many women in the District that have heard her speak. You will be blessed and encouraged by Natasha's messages.
